Dear Parents and Carers,

This edition of the Family Bulletin highlights just some of the many ways our community continues to live out our values.

Year 7 students engaged thoughtfully in a sustainable fashion workshop, exploring the impact of fast fashion and designing creative solutions to reduce textile waste. Their enthusiasm and ideas were impressive. We also celebrated the achievements of over 100 students receiving Level 2 and Level 3 Health & Social Care results, opening pathways to a wide range of inspiring careers in the caring professions.

Our recent music showcase was another highlight, with students from Year 10 to Sixth Form delivering a vibrant programme. Their professionalism, creativity and dedication—balancing rehearsals alongside revision—made for a truly enjoyable evening.

Alongside these events, our liturgical life has provided meaningful opportunities for reflection. Through our Reconciliation Service, the celebration of St Joseph and the Feast of the Annunciation, students were invited to deepen their faith and consider how they can support others through kindness and service.

You will also find, in this Family Bulletin, a reminder about our Opportunity Centre Easter activities as well as additional holiday activities available to young people. Our MP is calling on all parents to feedback their views on access to Social Media for under 16s – please use the link she has provided to communicate your views on this important top

I wish all our staff, students and families a great Easter break, thanking you for all you do to support our school community. Together, we continue to grow in hope and help one another to flourish.

Best wishes and Happy Easter!

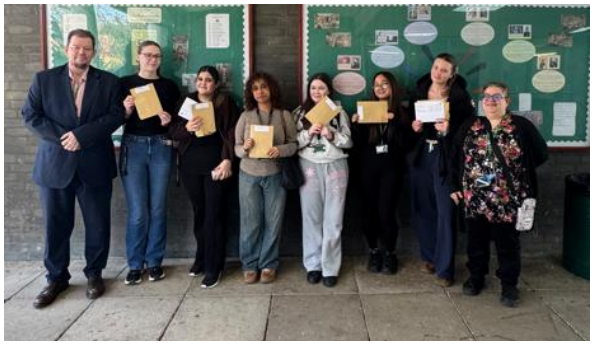
Mrs Fegan

Bright Women with Bold Futures.

Year 7 Fashion Workshop

On Thursday 12th March year 7 took part in a sustainable fashion workshop lead by Gen Earth. They learnt about the waste produced in the fast fashion business and considerered ways to reduce the amount of textiles that ends up in landfill. They designed solutions and then presented them to the rest of the class. Well done to year 7 for your engagement and fantastic, creative solutions.

Excellent Exam Results for La Sainte Union Sixth Form Students Studying BTEC Qualifications



On Thursday 19th March, over 100 La Sainte Union students received their results for Level 2 and Level 3 Health & Social Care qualifications.

Students from Years 10, 11, 12 and 13 gathered at school at 9am to collect their results, filling the courtyard with excitement and a wonderful atmosphere.

Mr Templeman and Miss Agathagelou expressed their delight at the students' achievements. These excellent results are supporting students as they progress towards a wide range of inspiring careers, including midwifery, adult nursing, speech and language therapy, radiography, mental health nursing, and many other allied health professions.

Students shine at GCSE Music Showcase

On Tuesday 24th March fourteen acts from Years 10 to Sixth Form delivered a vibrant programme spanning pop, rock and soul, including music by Blondie, Radiohead, Stevie Wonder, Rihanna, Adele and Olivia Dean. Students demonstrated remarkable professionalism, selecting repertoire, rehearsing independently and crafting performances that reflected their individual style and creativity. Parents and guests were treated to standout moments including a confident first solo performance of *Stay* and the energetic band "Bus to Nowhere", which showcased multi-instrumental talent and teamwork.

A governor attending praised the event:

The combination of electric guitar, vocals, and tambourine really highlighted the range of talent, and it was clear that some pupils are developing as multi-instrumentalists.

I also appreciated how each performer had a tailored stage setup, allowing them to explore and express their own individual style. It was encouraging to see participation across year groups, from Year 10 through to Sixth Form, and the balance between solo and ensemble performances.

It's clear that students are showing real dedication balancing rehearsals alongside revision commitments is no small task, and their effort truly showed in the quality of the performances.

A big thank you as well to the technical team, particularly Mr Hooper and Ms Harris. The use of lighting added a dynamic and professional feel to the showcase and really enhanced each performance.
Finally, the closing performance of Stand Up was a beautiful way to end the evening, the vocals and choir harmonies were excellent.

It was also great to see the inclusion of the steel pan, which added a unique and refreshing element that I hadn't noticed in previous showcases.
Overall, it was a fantastic event that clearly reflects the creativity, talent, and hard work of both students and staff.

Fifth Sunday of Lent

The Gospel for the **Fifth Sunday of Lent** (John 11) is the moving story of **Jesus raising Lazarus**. As we approach Holy Week, the Church's readings invite us to go deeper in faith and prepare our hearts for the Easter message of new life.

La Sainte Union
CATHOLIC SCHOOL

Students reflected on the compassion of Jesus in this passage: the Gospel tells us that **"Jesus wept."** This reminds us that God is close to us in times of sadness, struggle, and worry. Jesus then calls Lazarus from the tomb: **"Come out!"** We explored how Lent is like this call—an invitation to step away from whatever keeps us stuck, such as negativity, fear, unkindness, or harmful habits, and to choose the light of a fresh start.

A key moment comes when Jesus says to the community: **"Unbind him, and let him go free."** This helps us reflect on how we can help others to be unbound through kindness, patience, inclusion, encouragement, and practical support. This links to our school SACRED value of Service—love in action that helps others flourish.

Sacrament of Reconciliation

We welcomed Fr. Alan from Our Lady Help of Christians (Kentish Town) to the school this week to lead our Reconciliation Service. Fr. Alan preached on the beauty of the sacrament as a gift from our Lord. KS3 students were lead through a guided examination of conscience. They were joined by KS4 and Sixth-form students for the Sacrament.

St. Joseph's Procession

Year 7 celebrated a Liturgy of the Word on Thursday to celebrate the Solemnity of St. Joseph. The liturgy concluded with a procession from his statue in the chapel to his statue in grounds. Year 7 offered the Litany of St. Joseph and reflected on how they may know and carry out the great purpose that God has given them as individuals in imitation of St. Joseph.

Social Media Survey

The MP for Hampstead and Highgate, Tulip Siddiq, is conducting a survey to understand the views of parents and carers in local school on the topic of access to social media for under-16s. These views will inform Government policy on this important topic and so it is vital that constituents share their views.

The survey takes just a few minutes to complete. If you have any questions, please contact Tulip directly at tulip.siddiq.mp@parliament.uk
